I'm much better now. Please don't

Mr. Smith has a cat and her name is Kitty. Last week, Mr. Smith and his wife went to Paris by train for a holiday. When they came back from Paris, Mr. Smith drove his car to the village to get Kitty home. On the way back home, the cat was crying. Mr. Smith thought maybe Kitty didn't enjoy herself in the village, and she wanted to tell him something bad. So after they got home, Mr. Smith told his wife about this. After his wife heard it, she watched the cat for a long time. Then she said to him, "You are right, my dear. The cat really wanted to tell you something bad, because you have made a big mistake. This cat is not our cat Kitty. You have brought back a wrong cat!"

For example, you should decide what you want to speak, and why you want to say so. You can search the Internet to find some useful information. You can also ask the teacher for some advice. What's more, you'd better practice it again and again in front of your friends first. I'm sure you can do

it well. Good luck!

Yours,

Li Hua
